## Pollen Screen Poll-Tex

Initial certification in November 2007

POLL-TEX<sup>®</sup>

Poll-tex is a patented product and a solution for people who have an allergic reaction to pollen.

This high-quality screen product combines several desirable properties. It wards off pollen, it has a high degree of transparency and has a high relative air permeability. These three properties make Poll-tex<sup>®</sup> a unique product in the world.

Product: Pollen Screen Poll-Tex
